FIELD TRIP DRIVER INFORMATION

Name: _____

Address: _____ Phone: _____

Are you over the age of 21? [] Yes [] No

Department of Motor Vehicles (DMV) Information:

Each person over the age of 21 who intends to transport students on one or more field trips during the school year is required to request from the DMV a printout of his/her driving record, which would then be submitted to the school.

For subsequent field trips during that same year, the driver would be then responsible for notifying the school if he/she knows that there is new information that would appear on that printout.

The school would keep a copy of the driver's printout on file for that school year.
